## Correction

After publication of the article [1], it has been brought to our attention that the original version of this Article contained a typo in the 3rd paragraph of the section 'Review process and data extraction'. It concerns the equation published as " $\text{Var}(\ln\text{RR}) = \text{Var}(\ln\text{R1} + \ln\text{R0})$ ". On the right part, the "+" within the parenthesis should be "-", as defined and derived from the left part. As a result,  $\text{Var}(\ln\text{RR}) = \text{Var}(\ln\text{R1} + \ln\text{R0})$  should be revised to  $\text{Var}(\ln\text{RR}) = \text{Var}(\ln\text{R1} - \ln\text{R0})$ .
